1.4) Please comment on aspects of this teacher's teaching you think were particularly good.
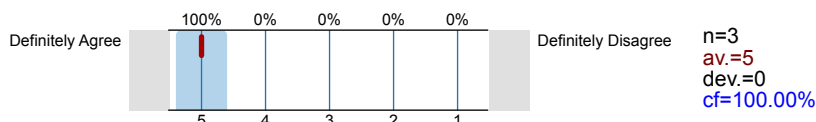

■ It has been a pleasure to have Tom as a TA. Extremely clear and engaging in his explanations, nice slides, and noticeably well-versed in methods and the relevant literature. He is an excellent economist and I am sure he has an exciting research career ahead – can't wait to read his JMP!

■ Tom has been a great teacher. Classes were great.

1.5) Please comment on aspects of this teacher's teaching you think could be improved.

■ I would have liked to get individual feedback in the presentation seminars, perhaps via email after the class. I think the presentations could be a great way to discuss in depth one paper, so would have liked to have a bit more discussion about the identification and the empirical strategy.

1.6) Overall, I am satisfied with the teaching by this teacher on the course.
